"Ye are God's building."
I Cor. 3:9
Two Builders

An architect builded a temple,
Constructed with care and skill;
Pillars and joints and arches
Were placed according to his will.
Men said, when viewing its beauty:
"It will stand the test of time -- "
Great is thy skill, ye builder,
But thy structure is not divine.

A minister builded a temple,
He labored with skill and care --
Placing each pillar with patience,
Laying each stone with great care.
Invisible were all his efforts --
Few knew of his marvelous plan,
For the temple the minister builded
Was invisible to the eyes of men.

Gone is the architect's temple --
Its beauty has all turned to dust;
Pillars and joints and arches
Are food for consumption, for rust.
But the temple the minister builded
Shall remain while eternity rolls,
For a beautiful invisible temple
Was a Precious, Immortal Soul!

-- John Schowalter
Dedication

"Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the Word of Truth."

II Tim. 2:15

FRED L. AUGHINBAUGH

A teacher with untiring effort, a loyal devotion to Trinity College, and an earnest love for the Lord is the beloved Dr. Fred L. Aughinbaugh. One of the oldest instructors, he has been associated with the school for a number of years. His heart is definitely with the school; and he is continually making opportunities for the inexperienced students to serve their Lord in preaching, singing, and song-leading. Some former and present students were led to a saving knowledge of Jesus Christ by this man of God.

Dr. & Mrs. Aughinbaugh are wonderful examples of daily Christians. It is a joy to visit in their home where the presence of the Lord is felt. Because of their zeal for the lost, they have formed Faith Church, a small but spiritual soul-saving station in Tampa.

Never is Dr. Aughinbaugh too busy or tired to answer a puzzling question or discuss a problem; he is genuinely interested in each pupil. Every day in his classes new truths are revealed from God's Word, and more and more are realized the privileges that belong to the Christian in Christ Jesus. In future years these lessons will prove invaluable in the ministry, on the mission field, or in any other work as the Lord has led. As he stands before a group teaching, his silver hair gleaming, one can see the beauty of the Lord in him.
A Word About the President

Words can't express the sentiment of the student body toward Dr. William T. Watson. This brilliant president, who has given everything to further the training of young people for full-time Christian service, is loved, respected, and admired by everyone.

Outstanding to all is his manner of conducting chapel services; his waiting on the Lord before prayer time has a special place in our hearts.

It is not unusual to see him holding one of the babies around school or to see him in the kitchen preparing a favorite delicacy.

There is never a problem too small to ask his advice about -- he's understanding in every manner.

Earthly goods are not his goal; but he will receive his rewards in heaven, where he will share a part of the souls won by those who have obtained training under his guidance at Trinity College.
To the Class of 1952:

Greetings in the name of our Lord. . . No class, from this or any other school, ever faced such great possibilities for success in Christian service as do you. The fields are indeed "white unto harvest". The world has tried peace organizations, international compacts; but what man has attempted to do is doomed to utter failure, because it is a program without Christ. You have the answer!

You, who are well trained for Christian service, who have experienced the love of Christ in your lives, and who have a burden for souls, with the Gospel which is the "power of God" have what the world is in desperate need of today. Christ is the answer; so make Him known wherever you go.

It has been a joy to have had you with us in school here at Trinity College. Many are the times that we have been made to rejoice during your years with us as we have watched the spiritual progress in your lives as you have been deepened in the things of the Lord and have grown and developed both spiritually and mentally. Do not feel that because you are graduating or receiving a diploma from Trinity College that your years of training have ended. You will be in school as long as you live, and he who has ceased to learn has ceased to live.

Always remember that you are an important part of Trinity College wherever you go. Should Jesus tarry, some of you will be serving in the homeland and others in foreign fields; but the sacred, common ties of Christian fellowship, which you have experienced while in training at Trinity, should always bind our hearts together even though we are far apart. Please feel at all times that this is "your school". Your prayers and your sacrificial giving will make it possible for Trinity to do for others what it has done for you.

My parting message to you is this -- be faithful to the task to which you have been called of the Lord and do the work well that has been assigned you in His field of service. Remember that it is "not by might, nor by power, but by my spirit, saith the Lord of hosts".

Yours for Youth,

Wm. T. Watson,
President

Degree Class History

We, the Senior Class of Trinity College, deem it a great privilege and honor to belong to such an illustrious family. Little did we realize when we came to school to begin our Freshman year of study that the years would pass so rapidly. As we begin our first year of study, we look at three years as almost endless; but as we think back into the past, it seems as only yesterday.

Upon our arrival at Trinity we were met with a warm Christian welcome from those who had been there the year before. Right away we felt that we had been taken into the Trinity family. Many of us had dreamed of the time when we might enter such a school as this to prepare to serve our King, and to us it was a dream come true. During the first week of classes we became acquainted with the members of the faculty; and we have never ceased to admire their lives and to thank God for Dr. Watson, who has sacrificed for many of the students to come here to study the Word of God.

Only five members of the graduating class have been here for the full four years which are required for a degree. These are Kitty Gilliam, Rex Lilly, Clyde Snader, Frank Miller, and Ina Mae Gilliam. During the three years since then, we have added several new members to our class, making a total of fourteen. During the second year we added these three new members to our class: George White, Pat Morgan, and Edgar Yates. Last year in September Donald Mank, John Taylor, and John Doyle came to join us. This year again we are happy to welcome these three into the group: Joe Chen, Ernest Cavallo, and Harold Walker. All of these students have finished two or three years at other colleges and have come here to finish the one year required for a degree.

During our first year here in school we had many wonderful blessings from the Lord. The spiritual lives of the students were enriched when we had the privilege of hearing Dr. Warren Walker give a series of messages on the deeper life. Dr. Walker is a former student of the school.

Dr. O. J. Smith brought many challenging messages to the student body during our second year here. Many of the students answered the call of Christ to go to the regions beyond to tell the story of salvation.

Last year was a great year for the students as well as the faculty of Trinity. The school purchased the Belleair Country Inn and converted it into a Bible school. What a wonderful day on January 19, 1950, when we moved into our new and present school home!

During this year also Dr. Billy Graham, the well-known evangelist, came to visit the school. Dr. Graham is also a former student of the school. He made the statement that Trinity College has one of the most beautiful campuses that he has ever seen for a Bible school. Certainly we ought to praise God for our school!

Much of the history of this class is yet to be written. Soon we shall be leaving the doors of Trinity to go forth to tell a lost world of Christ's love; but wherever we go, upon the golden pages of memory are engraved our remembrances of Trinity.

The prayer of our hearts is that we may be found faithfully "Holding forth the Word of Life; that we may rejoice in the day of Christ, that we have not run in vain, neither labored in vain."

Class Prophecy

After many years of separation the class of 1952 is united for the Golden Anniversary of Trinity College. What a change thirty years can make! Former grads are united once again -- it surely is wonderful. Ships, trains, planes, buses, autos; everyone is arriving.

Clyde Snader, having written many books, papers, and journals while in evangelistic campaign meetings, is head of the committee. He is a prominent figure among all churches and has kept in contact with most of his class chums. Bob Matherly, former business manager of the Beacon, is assisting Clyde, especially in raising funds for the event. He is a valuable minister in the Southern Baptist organization.

The chief cook, Dot Mooney, is preparing the banquet dinner. She's tops at making chop suey since she's been in China for twenty years. It has been her privilege to see hundreds won to Christ. Kitty Gilliam is keeping the menu balanced with helpful hints she's gained from laboring with the Spanish race in South America.

At the morning service, Pat Morgan is to conduct the congregational singing and render a special number. God has given Pat's daughter, Janet, a beautiful voice; and she is to sing with him. No one's music can compare with the piano playing of Forrest Saltman, a talented radio musician. He will be playing for all services during the conference. Speakers in the opening service are to be Rev. Harry Flickinger, pastor of the First United Brethern Church in New York City; and Rev. Don Mank, the pastor of Lighthouse Mission in New Orleans. The missionary talk is to be given by Harold Walker, now working with the people of Italy.

Emcee for the youth meeting is Bob Flower, one of the nation's best with children. All the children attending are grandchildren of the class. Ina Mae Gilliam, Missionary to India, is singing for the service; and Mr. and Mrs. Frank Miller (the former Vivian Swaim) will tell the children of the Japanese race and their work in Japan.

The final service will be under the guidance of Rev. Edgar Yates, who has been a pastor of the Baptist movement for twenty-five years. George White is leading the singing and is to sing several messages in song Bob Giles, noted composer, has written. George's experiences in evangelistic services have greatly advanced his ability. Joe Chen will relate a few of his experiences in China. Leading the testimony period and prayer service will be John Doyle, who is noted for this type of service. After brief talks from Evangelists John Taylor, popular with the younger set, and Rex Lilly, who is a great personal worker, Dr. William T. Watson will close the reunion with a sermon everyone is anxious to hear. It will seem good to hear him preach again.

Plans are in order -- everyone's here -- so let's begin. . . "Sing the wondrous love of Jesus, Sing His mercy. . ."
“I have laid the foundation.”

Trinity College offers a home course; it is a concise yet comprehensive Bible study course for those who cannot attend the college. This course is designed to help the Christian to be a better student of the Word and to be a more effective soul winner. The course can be completed in a few weeks or months, the number depending upon the amount of time the student can give to the study. Notes can also be made available for group study in classes. After completing a semester or one of the five major divisions, the answers are mailed to Trinity College; and the school mails a certificate in return. The regular records of the school will then have to your credit fifteen semester hours, which you may use if you later wish to enter the college.

This course is divided into five great major divisions:

I. THE BIBLE -- THE WORD OF GOD
   The student will learn in this study the origin and history of the Bible, the great divisions of both the New and Old Testaments, and ways and methods of Bible study.

II. BIBLE DOCTRINE
   The great major doctrines of the Bible, including the doctrine of God, the doctrine of Jesus Christ, the doctrine of the Holy Spirit, and other subjects.

III. FALL AND REDEMPTION OF MAN
   The origin of man, the fall, the story of redemption as provided in Christ, the new birth, and the Christian Life.

IV. FAITH AND REPENTANCE
   A helpful study on the plan and purpose of salvation. A portion is devoted to methods and ways of doing personal evangelism; a help in soul winning.

V. CHRIST AND THE EARLY CHURCH
   A study of the life of Christ. This includes the history of the early church and the leaders. Every Christian will be inspired by this study.

The cost is only $10. This amount covers the notes, grading of the papers by school instructors, and the attractive certificate.

Historically Speaking

From year to year as students enter the threshold of Trinity they are reminded of its history, which is a great testimony of the power of God. Deep in the heart of North Carolina when a tiny baby boy was born, a mother gave her son, Dr. William T. Watson, to God and followed him through the years with her prayers and warm words of encouragement. She lived to see the vision of her son come true in the development of this great institution of Trinity College.

On the banks of the beautiful Hillsborough River at Temple Terrace, Florida, was situated the luxurious country club which became the home of the Florida Fundamental Bible Institute in the year of 1932. Amid the tropical setting of swaying palms and stately pines laden with old Spanish moss, grew diverse kinds and colors of Florida flowers. Nested here among the beauty of God's handiwork, students, teachers, and guests felt the sweetness of God's presence as they fellowshipped together.

Many will recall these happy hours and the quiet time of prayer spent in the tower overlooking the winding river topped with lilies. Here on the banks of this same river some years later a North Carolina boy prayed and preached, using the old rotted pine stumps for his pulpit. Today he is America's outstanding evangelist, Dr. Billy Graham!

Over a period of eleven years the halls rang with the deep spiritual truths imparted by such great men as Dr. H. C. Morrison, and Buddy Robinson, Dr. Wm. R. Newell, Dr. W. B. Riley, and Billy Sunday.

In the spring of 1943 the officials of the school, composed of twelve board members, sold the property in Temple Terrace and purchased a new home for the Florida Bible Institute in St. Petersburg, Florida. During the war years of World War II, this location served as an ideal place for the school. In 1947 Florida Bible Institute enlarged its curriculum and faculty and became Trinity College of Florida.

During these intermittent years Dr. Watson was seeking a permanent home, which he found in the Belleair section of Clearwater, Florida. Trinity College now overlooks the blue waters of Clearwater Bay and the Gulf of Mexico. This property was formerly the social center of the rich sporting element of the winter tourists on the west coast of Florida. Money was lavishly spent to make it attractive without and within. The massive casino room, believed by many to be the most beautiful in Florida, was the place where huge sums of money changed hands nightly in the season. After officers raided the place it was for sale, and Trinity College was the purchaser. The change was so amazing that the Associated Press told it to the nation. To see this place now being used exclusively as a Christian training center and for winter Bible conferences is to feel that certainly a miracle has taken place.

As we reminisce over the pages of the past we recall the names and accomplishments of Trinity-trained workers serving in all major denominations. This is like reading an exciting page from "Who's Who in the Evangelical World." It thrills our hearts to know that through the years the school has maintained a strong stand for historic fundamental Christianity.

Extra-Curriculum
Are you planning to visit Florida? Do you desire the best spiritual atmosphere? Come and spend a delightful Holiday at Trinity College. The students, whose lives have been dedicated to Christ's service, will be a source of real blessing. You are invited to visit the classes and to take part in the extra-curricular activities.

Rates are moderate and families can be accommodated. Any further information may be obtained by writing Mr. and Mrs. Charles E. Massey, Trinity College, Clearwater, Fla.

The Masseys are in charge of the Guest Department and also do much other work in regard to the school. Mrs. Massey is our hostess, while her husband oversees the young men in care of the grounds.

Mr. George Alexander was born in Samos, Greece, and came to this country in 1910, where he was in business for himself. He was converted at the Tampa Christian Missionary Alliance Church. He then enrolled as one of the first students of Trinity College, at that time known as the Florida Bible Institute, located at Temple Terrace in Tampa. During his years of learning, he served the school as chef; in January 1951, he returned to resume his position. He now holds services at Tarpon Springs every Saturday night, speaking and singing in his native tongue.

We thank the Lord for a Christian cook who loves the Lord and in turn wants to serve the students.
Many years ago, when the school was known as the Florida Bible Institute, the Clara Teets Memorial Library was established in memory of a charming Christian lady Miss Clara Teets, of New York. The large portrait and a donation of cash are valuable because they were given by her brother, Mr. H. M. Teets.

The library consists of several thousand books on various subjects of interest to young men and women preparing for Christian service. Regular library hours are observed as many students take advantage of it for their study periods.

Because of the growth of the school and the need for a larger library facilities, we are asking friends of the school to remember in prayer the enlargement program of the Clara Teets Memorial Library.

The Trinity College bookstore is under the direction of the Mrs. R. D. Burress. All assortments of books by noted writers are available to students as well as guests of the College. A wide selection of children's books, Bibles, song books, dictionaries, and assorted greetings cards, are a big help to the students, when it is impossible to get this type of literature in the city. Plans are being made for a wider selection of books by noted writers.

Summer Activities
What a glorious summer it was for the students of Trinity College as they branched out to most of the states of the Union with the gospel of the Lord Jesus Christ. Many of them were working in children's clubs and camps, while others were in evangelistic work, etc. From reports that were sent back to school, there were hundreds of souls saved through their ministry. How we do praise God for His goodness to us this past summer.

May we trust Him for greater things in the future as we strive to do His will. Jeremiah 33:3 - "Call unto me and I will answer thee and show thee great and mighty things which thou knowest not."

Three of our girls, Ina Mae Gilliam, Mary Fisher, and Louise McElhaney, were counselling at a youth camp in Savannah, Georgia, during the months of June, July, and August. Over three hundred boys and girls accepted Christ as Saviour. Our Motto - "Save a child and you save a life; save an adult and you only save a soul."

Dorothy Mooney helped in teaching the children in D, V, B, S, in her own home church in Sarasota, Florida during the first two weeks of August.
Our Trinity College Trio, with Dr. Watson, President of our school, traveled this summer to several states of the Union and to Canada "singing the Gospel." Many hearts were touched and souls were saved during the time they were together.

Many of our young men were out this past summer preaching the Gospel. Bob Matherly established several youth fellowship groups in West Virginia. Clyde Snader was in Cartersville, Virginia, in a revival campaign where many found the Lord as Saviour. Frank Williams and George White spoke and sang in several churches in and around Columbus, Georgia. As a result there are now three more students from Columbus with us in school.

However, it is just as important to be teachers as well as preachers of the Word. Bob Flower, along with other students, was used of the Lord in teaching a class of boys in Sunday School at the Methodist Church in St. Petersburg. How we praise God for the way He uses those who are willing to be used of Him!

"But when He saw the multitudes, He was moved with compassion on them, because they fainted, and were scattered abroad, as sheep having no shepherd. Then saith He unto His disciples, 'The harvest truly is plentiful, but the labourers are few.'"

The job of soul-winning is left to you and me. We need a new vision of the multitudes who are lost and on their way to hell.

Near the beginning of our school year a challenge was presented to the Tract Club by Mrs. D. T. McMullen of Clearwater. Her heart was burdened over the idea of reaching every house in Clearwater with the Gospel.

Trinity College decided by the help of the Lord to accomplish the task. Soon many of the young people had rolled up their sleeves and were found contacting men and women for Christ all over the city. Among white and colored alike we saw that the Gospel message and the testimonies of the students affected many hearts and lives. Only eternity will reveal the number of souls that have been saved by this effort.
Christ For the World

Ask of me and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession.

Psalm 2:8
Far away on distant shores, many souls are in despair.  
For their hearts are sad, and weighted down with sin.  
And their tear-stained faces plead for relief from all their care;  
Persecutions from without and fear within.

Pray that these missionaries will be able to bring light into sin-darkened lives: Rev. and Mrs. Harvey J. Butler and Shirley (Trinity graduate), Lucknow; Jean and Earl Conrad; Rev. and Mrs. Norman Culver; Rev. Helsby and Bible Seminary; Rev. and Mrs. R. M. Rabe; Rev. and Mrs. Wesley; Native leader Rev. Nelson; Rev. and Mrs. Weatherby, Y.F.C.; Mr. Anderson and Bible School.

China

Through these and other faithful workers, God's Word is being carried to thousands behind the Bamboo Curtain:  
Madam Chiang Kai-shek, Rev. and Mrs. Harry Taylor, Elmer Kilbourne, Samuel Gam, Dave Morken, Mr. Siao, John Abernathy, Korea, Joe Chen and family.  
The China Prayer Group daily pray that the spread of Communism in China will be halted and that the China doors will once again be opened to admit missionaries.
AFRICA

Join this group of students in prayer for the following missionaries; Howard and Rene Street, Belgian Congo; Madge and Jack Brotherton, assisted by the Camerons, in French Equatoriale Africa; and Mr. and Mrs. Beverly, who are language students.

The establishment of a leper clinic by the Brothertons and the continuance of leper colonies are especially in need of your prayer and support. Will you be faithful in lifting them up before our God of mercy and love?

"And thou shalt love thy neighbor as thyself." Will you join this group in prayer for these our close neighbors?
Prayer is essential in the work for God. "And all things whatsoever ye shall ask in prayer, believing, ye shall receive." God truly uses the prayers of His "intercessory missionaries" at home, as they claim this promise.

Their hearts have been burdened for one of the former students, Miss Eunice Hoolsema, who is laboring with the Chicago Hebrew Mission. They are also praying for Radio Luxemburg; Rome Seminary; Bible College at Paris, France; Bible College in Greece; and five hundred converted Catholics.

THE GRAYING EDITORS
The last four days of 1951 were days that shall long be remembered in the history of Trinity College. During our Christian Youth Congress we had some of the most outstanding speakers of our day. God richly blessed us during those days of wonderful Christian fellowship.

One of the main speakers at the Congress was Paul Smith, son of Dr. Oswald J. Smith of Toronto, Canada. With him was his co-worker and music director, John Henderson. God has placed His hand upon both of these young men in their work for Him throughout the country. Rev. Smith and Mr. Henderson, both talented musicians, played beautiful trombone and cornet duets; and Mr. Henderson conducted the singing during the Congress. Rev. Smith brought some heart-searching, spirit-filled messages. Many hearts were blessed through their ministry.

We were privileged to have some missionaries with us during the Congress. Rev. and Mrs. Herman Dixon from Borneo spoke to us and challenged us for the great need there. They showed pictures of the wonderful work they are doing in this field. Rev. John Russell, who is Mission Secretary for Sudan Interior Mission, told us of the work of himself and other missionaries in French Equatoriale Africa. The Lord has blessed and is continuing to bless this work, as we saw from the pictures he showed.

A former student and teacher of the school, Miss Flo Greeson, spoke to us and told of her wonderful experiences as a youth evangelist, traveling over the United States, with the wonderful story of love. We were challenged afresh to let our lives burn out for Him in order that others might know our wonderful Lord.

Grady Wilson, associate evangelist for Dr. Billy Graham, came Saturday night, December 29, to the Clearwater Municipal Auditorium with the picture "Mr. Texas." It was the premier showing of this first Christian western picture in Florida. "Mr. Texas" was played by Redd Harper; and co-starring with him was Cindy Walker, both converted movie stars. The picture featured Billy Graham, Cliff Barrows, George Beverly Shea, and other members of the evangelistic party. The picture was in glorious sound-color with music being presented by Bev Shea, Ft. Worth's 1000-voice Crusade Choir, "Hour of Decision" Choir, and Cindy and Redd. Such songs as "Wonderful Peace," "Just a Closer Walk With Thee," and "Each Step of the Way" were presented by these artists. An estimated crowd of 2,000 attended the showings and many decisions for Christ were made.
Mid hustling and bustling of studies, students took time out to don masks and costumes to enliven the festive Hallowe'en party which took place in the dining-room on Tuesday, October 30. What a job for the judges! However, after much study they selected Bill Casey, who was in girl's attire, as prettiest; Frank McLellan, resembling Frankenstein, took the prize for ugliest; Indian Reuben Ely was the hardest to recognize; cutest-acting were Fae Baker, President Truman and Mary Ann Hurley, his daughter, Margaret.

While Frank Williams and Keith Bo-vaired conducted tours through "Spook House," fortune-teller Louise McElhaney, as Madame Zula from Honolulu, "red" the palms of the anxiously waiting students. Arley Mitcham took first prize in a two-minute speech on "Why We Need Higher Taxes." The game of "Silly Questions and Answers" was played, an example of which was "What do you desire in a Husband?" "Hadaicol will do it."

A shadow picture of an operation was performed by Frank McLellan and David Starling. What objects Frank found in that patient? - a football, an alarm clock, a ball bat, a book, a Coca Cola bottle, a vase, a croquet mallet, and a mirror.

Pat Morgan led a few choruses while refreshments of punch, cookies, candy, and nuts were being prepared.

The most treasured memory of the evening was the devotional service in which Frank McLellan read: Eph. 6: 10-13; Phil. 3:13-14; Col. 2: 6-7; and Gal. 2:20. Then everyone wrote on a piece of paper the things in his life that were displeasing to God; and, vowing to overcome these, they were burned in candle flame. The evening was closed with prayer by Frank Williams.

The committee for the event consisted of Lin Coker, Ina Mae Gilliam, Louise McElhaney, Frank McLellan, Ruth Titus, and Frank Williams.
The Christmas Party was a time when all had fun taking part in the games and in singing the carols. The traditional "Twas the Night Before Christmas" was given by Lin Coker. Just before Santa Claus appeared, a story of the birth of Christ was told by Mary Ann Hurley.

Decorating for the Christmas party was a real job -- just ask Barb Keuhn, the committee chairman. Red and green crepe paper crossed the room from opposite corners, and red bells were placed at the doorways.

A formal banquet is held at the close of each school year. Former students and friends of the school come to enjoy Christian fellowship and to hear guest speakers and music furnished by the school.

At the Valentine season we drew names for "Heart Pals." Each day we received a little favor from our Pals. At the end of the week, gifts were exchanged and pals revealed at our Valentine party.

SINGING ALONG
"And he hath put a new song in my mouth, even praise unto our God; many shall see it, and fear, and shall trust in the Lord" -- Psa. 40:3. In Christian work, often a sinner will not listen to a sermon but can be reached by the message in a song. Someone interested in instrumental music may be drawn into church through the playing of an instrument. Anyone loving vocal music will be attracted by the singing. So music has its place in our school, along with the theology and missionary emphasis.

Taking the piano keyboard duties was Forrest Saltman, who is exceptionally gifted in this field. He played for all chapel, radio, and Youth and Life services in addition to playing for the Gospel Tabernacle meetings. Professor Rufus Perkins, teacher of piano and organ first semester, played the organ.

Other instrumental talent could be found in Lowell Lytle's trombone, Bruce Duddies' clarinet, and Phyllis Spangler's and Vivian Exley's accordions. An outstanding accomplishment of Forrest was his playing the trumpet and piano at the same time (it sounds almost as if he had four hands). Phyllis achieved the playing of the piano and accordion at the same time. Barbara Kuehn has an unusual whistle and has been used much in the Lord's services.

Pat Morgan and George White were Trinity's main song leaders. Pat did much of the leading at Youth and Life, while George had charge of a young people's choir at Calvary Baptist Church in Clearwater.

Trio's of the year were used in many phases of Christian work. The Trinity College Trio was made up of Fae Baker, soprano; Lin Coker, second soprano; and Freda Walton, alto. The Victory Three consisted of Kitty Gilliam, soprano; Vivian Exley, second soprano; and Dottie Mooney alto. Constituting the MAR-AN-NA Gospettes were Mary Ann Hurley, soprano; Naomi Ruth Corts, second soprano; and Margaret Davis, alto.

The ladies' quartet was organized in the fall. One of the most successful quartets was attended by everyone. Those composing the Trinity Harmonettes were Kitty McCormick, first soprano; Ruth Titus, second soprano; Erma Oriel, first alto; and Mary Fisher, second alto.

Radio solo work was handled mainly by Florence Tutell, Naomi Ruth Corts, and Pat Morgan. Soloists at Youth and Life services and other featured services, in addition to those mentioned above, were: Mary Ann Hurley, Freda Walton, Norman Groves, Rex Lilly, Bob Matherly, George White, and Elmer Sherrzer.

Directing the Ladies' Ensemble was Freda Walton with Naomi Ruth Corts doing the solo work. Besides the radio program, they sang for the Youth and Life, and at the Gospel Tabernacle, the Church of the Open Door, both in St. Petersburg, Safety Harbor Methodist Church, Lakeland Bible Presbyterian Church, Carpenter's Home in Lakeland, and numerous other places. The favorite number was "Twill Pilot Thee." Members of the Ensemble were: Fae Baker, Lin Coker, Vivian Exley, Mary Fisher, Ina Mae Gilliam (not pictured), Kitty Gilliam, Mary Ann Hurley, Barbara Kuehn, Kitty McCormick, Wilma Melling, Dottie Mooney, Mona Reichard, Phyllis Spangler, Florence Tutell, and Ruth Titus.

With Barbara Kuehn's bird whistle, Mr. Markham directed, Mrs. Markham at the piano, Forrest Saltman at the organ, and the obligato by Freda Walton and Mary Ann Hurley, "The Voice of My Saviour" was chosen as favorite number of the General Chorus. A special Christmas program and the Easter cantata were highlights of the year. Services were conducted at the following places: Williams Park, Gospel Tabernacle, Church of the Open Door, and Hobson Memorial Baptist Church, in St. Petersburg; Idlewild Baptist, Faith Church, and Concord Baptist, in Tampa; Calvary Baptist and First Nazarene Church, in Clearwater; Ozona Baptist Church, in Ozona; and the Bible Presbyterian Church, in Lakeland.

One of our teachers, Rev. G. B. Weatherbee, is our chapel speaker every Friday. He is pastor of the First Evangelical United Brethren Church in Tampa, Florida. Rev. Weatherbee teaches Parables and Bible Exposition. His first sermon of the year, "Using the Bible As Our Library," was an outstanding contribution to the series of messages.

Rev. Robert Martin, pastor of Ebenezer Baptist Church, Toccoa, Georgia, spoke in our chapel service October 23, 1951. Rev. Martin was a student at our school in 1939 when it was known as the Florida Bible Institute. He has been in the pastorate since leaving. He recently completed his $150,000 church with a complete educational building.
Dr. Cecil Morris, missionary to Nigeria, West Africa, was our speaker in chapel October 29, 1951. Dr. Morris took six years of medical work at the University of Western Interior and London Interior (three years of post-graduate work). He is married and has four children--two boys and two girls. After he had gone to Africa in 1935 and had studied the Hausa language, Dr. Morris went to the north country and started leprosy settlements in the Sokota Province.

In the chapel service on January 23, 1951, Dr. Gerald B. Winrod gave an interesting message on the three bodies which blend together to form a personality. Dr. Winrod is the editor of the "Defender Magazine" and head of Defenders Publishers in Wichita, Kansas.

The only highway over which the Lord can come is over the highways of our hearts," stated Miss Amy Lee Stockton in her sermon from Isaiah 40:3-5. Miss Stockton, evangelist from Grand Rapids, Michigan, is active in the work of the Maranatha Conference. Her song leader, Miss Rite Gould, taught us choruses and sang a solo in the service.

Choosing as his text Hebrews 12:1, Rev. Paul Smith gave an excellent sermon entitled "Running a Race." He and his song director, Rev. John Henderson, are both from Canada. They were engaged in a revival campaign at the Gospel Tabernacle in St. Petersburg, Florida.

"The Four Men Who Live With Me" was the subject of Dr. James S. Day, Jr., who is the pastor of Calvary Baptist Church in Spartanburg, South Carolina. He told of the man others see, the man we see, the man God sees, and the man or woman each of us may become. Dr. Day was educated at Stetson University, receiving honorary and Doctor of Divinity degrees. He was instrumental in founding the Baptist Bible Institute in Lakeland, Florida.
