foreword

"Faith without works is dead". Yes, and all of the work of the Editorial and Production staff of the Yearbook is in vain without Faith in the One whom we proclaim as "Light of the World." It is the humble desire of the Staff that this will be a source of inspiration and blessing to all readers. We therefore present this 1958 edition of the BEACON with a prayer that you will look above the waves of life and be challenged to a greater voyage for Him.

theme: Jesus the Light of the world
The wonder of the life transforming power of the Gospel was very aptly demonstrated when God reached down His mighty arm of salvation and saved Dr. Charles Cramer. From a world of dance music with his silver trumpet, to a new life of trumpeting the Gospel of Christ around this world, very well describes this life change.

How we at Trinity praise God for giving us a man of this caliber. We believe that there are few men in the state of Florida who can handle the Word in the same spiritually powerful manner of Dr. Cramer. A man extremely gifted, Dr. Cramer is also an expert in the field of public speaking, and many a shy student has learned to be able to stand and speak the message of Christ with holy boldness, clarity, and understanding.

We have come to appreciate the challenge that Dr. Cramer has continually put before us through his emphasis upon the direct and complete leading and operation of the Holy Spirit in our lives and ministries. To this beloved man of God, we dedicate the Trinity Beacon of 1958.
A PERSONAL LETTER TO --

The Class of 1958: Congratulations, you made it! As you began your studies at Trinity College three or four years ago, preparing for Christian Service, the progress you have made spiritually and mentally while here is a source of joy and delight to the faculty. As you go forth into the service of your Lord, be sure to remember, "Not by might nor by power but my Spirit saith the Lord."

The Students of Trinity: The right selection of a Bible school is of paramount importance. We are glad you came here. Time is short... make the most of every opportunity. These are golden days for you.

The Alumni: Wherever you are -- there is Trinity. The school and the influence of the school is not confined to the campus on beautiful Clearwater Bay. You are, and always will be, a vital part of Trinity College. Pray for your Alma Mater and support it in every way possible and help us do for others what has been done for you.

The Friends of Trinity: The Lord has been good to the school in giving us so many fine Christian friends who pray for and who help with special gifts, in making possible the training of worthy Christian youth. Without your help the great "ministry of Trinity" would be impossible.

All the Family of Trinity including the Board of Directors, Faculty, Alumni, Students and Friends: Mrs. Watson joins me in expressing our deep heartfelt appreciation for your friendship. Pray daily for the ministry of Trinity.

Yours for Youth,

statement of faith

1. We believe the Scriptures of the Old and New Testament as verbally inspired by God, and inerrant in the original writings, and that they are the supreme and final authority in faith and life.

2. We believe in one God, eternally existing in three persons, Father, Son and Holy Spirit.

3. We believe that Jesus Christ was begotten of the Holy Spirit and born of the Virgin Mary and is true God and True man.

4. We believe that man was created in the image of God, that he sinned and thereby incurred not only physical death but also that spiritual death which is separation from God.

5. We believe that the Lord Jesus Christ died for our sins according to the Scriptures as a representative and substitutionary sacrifice; and that all that believe in Him are justified on the ground of His shed blood.

6. We believe in the resurrection of the crucified body of our Lord, in His ascension into heaven, and His present life there for us, as High Priest and Advocate.

7. We believe in "that blessed hope," the personal, premillennial and imminent return of our Lord and Saviour Jesus Christ.

8. We believe in the bodily resurrection of the just and the unjust, the everlasting felicity of the saved and the everlasting conscious suffering of the lost.
Seeking new ideas for the publication of a better yearbook, the 1958 Beacon staff pledged to release an issue that would be remembered as one of the best ever produced. Deadlines, copy, snapshots... all were terms which became very familiar to the members of the Beacon staff. Many times these words proved to be a problem as we endeavored to get the yearbook to press.

To the average student a yearbook is just a finished product which they enjoy reading, and yet, little do they realize the long hours, neglected studies, and loss of sleep that has made this book possible. We hope this yearbook may be a remembrance in future years of the many times God blessed and answered prayers while we were at Trinity.

The school-year 1957–58 has made history in the minds of many of the students, especially the lovers of good food. With the arrival of Mr. and Mrs. Cook, a new era in eating has begun. Their flavorful food and their genial personalities have won the hearts of student and faculty members alike. Pictured above, they pose for a formal shot, while in each inset, they appear as we prefer to see them, preparing us another sumptuous meal.
personalities in preparation
degree class

It seems but a few short days since we first stepped into the halls of our beloved Trinity. We remember the call that we felt of God to prepare for His service here. Without doubt the greatest lessons we have learned have been spiritual lessons. We trust that as we step into the field of service that God is preparing for each of us, that we will always remember that the power of the Gospel of Christ which we preach lies in the message of the Saviour dying on the cross, risen from the dead, and ascended, now sitting at the right hand of God the Father.

At Left . . . Jerry Zerrip . . . technician for radio broadcasts.

The Radio Choir is a group of screened voices which is used for the recording of the Radio broadcasts. However, this is just one phase of their ministry. The choir serves in many local trailer parks, auditoriums and churches, presenting musical concerts to all classes of people and in a variety of places.

Included in this group are the Royal Couriers Quartet, the Bell-Air Trio, the Heirlines Trio and the Trumpeteers. This gives a grand variety program for the audiences both live and radio. During the Sunday musical vespers program, this Choir is featured from time to time in these music festivals. Mrs. Jo Ann Corts is pianist; Mr. Jim Lancaster is organist; Mr. E. C. Morgan is the director.

Summer Vacation!!! Schools out . . . and yet many of our students engage in full time extension work and really work harder than during the school year. Some go to children's camps as counselors while others go out and preach. There are also those who teach Sunday School classes in their home churches. BETTER HALVES CLUB

Above is a typical meeting of the Better Halves Club as the married students of Trinity College meet together for fellowship with each other and with their guests. The organization is formed with a two-fold objective: (1) To promote good wholesome fellowship among married students while on or off campus, and (2) To inspire each member to do greater exploits as he serves the Lord. The staff takes this opportunity to congratulate this group for outstanding achievement.
Mr. & Mrs. Harold Collins

this is your life
youth and life

One of the top attractions of Trinity College is the Youth and Life series which starts the first Saturday night of the school year and continues through early May. It is a meeting keyed to the enthusiasm of Youth and yet with an emphasis that attracts all those who are interested in a fast-moving Gospel service. Youth and Life makes good use of the various musical groups of the school as well as bringing in outstanding talent from the area and the nation. Some of the greatest speakers are booked for services on these Saturday nights. Also the most outstanding religious films are used with wonderful results.

Here are just a few of the Youth and Life programs and plans: Dr. Charles E. Cramer, with his memory feats and Gospel applications; Dr. Leland Wang, famous Chinese evangelist and missionary; the Case Sisters, top-notch teen-age trio; Herb Dudley, Softball's most valuable pitcher; "Fire on the Heather", one of the latest Billy Graham films; Phil Kerr, composer and singer of Gospel music; Rev. L. G. Gebb, pastor and evangelist of Lakeland, Florida; "Miracle in Manhattan," film-story of the New York Crusade; Paul Smith, evangelist and author, of the People's Church of Toronto; Evangelist T. W. Wilson; not to mention many of the local speakers who assist in the services.

The Youth and Life programs are under the direction of E. C. Morgan.
Would you like to hear a local speaker, an evangelist, a nationally known musician or a student speaker??!! These are the choices you have in the Chapel programs of Trinity College. On Monday morning, the first period, a Chapel service known as Report Hour is conducted giving each student an opportunity to testify as to his activities and blessings over the week-end as they participated in the extension department.

On Wednesday and Friday during second period, speakers and special programs are presented for the student body. Missionaries to Spain, West Indies, Holland, China, Latin America and Africa are speakers listed for the Chapel services. Also, many of the pastors from all the major denominations in the Clearwater, St. Petersburg and Tampa area are participants in the programs. Space would not permit the listing of the programs of the year, but suffice it to say that each chapel service presents a new inspiration and challenge.

We enjoy all of the visiting speakers, but there is a highlight in Chapel that always thrills us... that's when Dr. Watson is scheduled to speak. Then too, sometimes we have a Praise and Prayer service; just a quiet time of rejoicing and drawing closer to the Lord. Yes, it is good to assemble ourselves together in CHAPEL.

MIMEOGRAPHED NOTE DEPARTMENT

Pictured above are three of the busiest people in Trinity College. Cutting the stencils is a tedious and meticulous job and is ably handled by Silvester Wilson. Then the stencils must be run through the Mimeograph machine. Getting the machine all ready is Jerry Tallent, who regularly runs the stencils and keeps records of all production.

In charge of the note department is Mrs. Edith Myers shown behind the note counter.

We at Trinity have a unique system in the classroom. Since the majority of the classes, particularly the Bible subjects, are taught on a lecture basis, there is much note taking to be done by the students. The note department makes it possible for all the students to purchase reasonably the entire course in group mimeographed sheets. This relieves the student of the burden of taking the notes in class and allows him to focus his entire attention upon the lecture by the instructor.

When the new notes for the various courses come out from time to time, the busiest spot on campus, without a doubt, is the office of Mrs. Edith Myers. How we thank the Lord that He sent our way a lady with the bookkeeping experience and know how to handle and co-ordinate the work of the students in the mimeograph room. Many times when the students' notes become mixed up and the individuals notes seem to be in hopeless disorder, the problem is easily solved by affable Mrs. Myen.

The final advantage of these notes and the note department is the fact that we will carry these notes with us around the world to our various fields of ministry and use them to refresh our minds on the various subjects. The value of these notes will not be fully realized until the day comes, with our ministries completed, and we hear the words of the Master, "Well done, thou good and faithful servant. Enter thou into the joys of the Lord."

Some of the most exciting moments of the year were spent at the basketball games of the Trinity Trojans. As we went to press, the Trojans had an undefeated record.
The team has been victorious both on and off the court, and has been an outstanding witness throughout the season.
We were proud of the Trojans. Keep up the good work!
