"That I may know Him, and the power of His resurrection, and the fellowship of His sufferings, being made conformable unto His death."

Philippians 3:10
Time continues on its fleeting path as it washes new and unique experiences upon the shores of time... leaving them there whereby future generations may learn and grow. We cannot change nor can we relive our achievements and disappointments, sorrows and joys... but we can call to our remembrance those events which have made this year an exceptional one. Thus in the 1967 Beacon we have endeavored to capture for you the mood, enthusiasm, and spirit of Trinity College.

This has truly been a wonderful year and we owe it all to our Lord and Saviour Jesus Christ. He is the incentive and stimulus behind our publishing of this book and more important behind the lives of the students who shall appear on the following pages. We pray that as you turn from page to page you may come to know Him just a little better, and in turn you may have a greater desire to make Him known.

Your Co-Editors,

Barbara Esseling
Edward W. Brandt
Dedication

We the class of 1967 wish to dedicate the "Beacon" to a servant of God who has been faithful in life and service to the Master since his childhood. Many lives have been touched and influenced by his meek and humble Christ-like spirit throughout these years.

God has used him to reach numerous souls from various walks of life in his unique ministry of building up local congregations in areas where no visible fundamental work was constituted. Just as important has been his undying loyalty to Trinity College through these many years of its ministry to the lives of young people.

Because of this beloved servant's dedication and devotion, anyone who has been privileged to sit under his teaching has left the school with his life much more enriched. His faithfulness to God in service and his fellowship with man in life have truly been a special blessing to all who have known him. Therefore it is an honor and our privilege to dedicate the 1967 Beacon to Dr. John Minder.
A MESSAGE FROM OUR BELOVED PRESIDENT

Dear Class of '67:

Before you is an open door, and what a door! You are a privileged company. You have a heart and mind preparation for the work ahead. Never did a class face greater opportunities than are yours. As they come seize them and use them.

You are not alone as you go into His blessed service. Your constant Companion He will ever be. When the load is heavy, the night dark, friends may be few . . . , a wonderful time to recognize His presence.

You have helped to preserve at Trinity "that something," which is priceless, yet words cannot fully explain it . . . the "Trinity spirit." Dr. Billy Graham, your fellow alumnus, while at Trinity on the recent visit, in recognition of his 25th Silver Anniversary of graduating from this school, said, "I am pleased to find at Trinity the same spirit that was here when I graduated 25 years ago."

In the days ahead may you continue to have a deep sense of appreciation for your Alma Mater. Always be grateful for your faithful instructors and the "friends of Trinity" who by their praying and giving have helped to make this work possible for the past 35 years.

The future of Trinity will be affected by what you are and what you do. God bless and keep you. Let's meet often at the "Throne of Grace."

Yours for Youth,

1. We believe the Scriptures of the Old and New Testament as verbally inspired by God, and inerrant in the original writings, and that they are the supreme and final authority in faith and life.
2. We believe in one God, eternally existing in three persons, Father, Son, and Holy Spirit.
3. We believe that Jesus Christ was begotten of the Holy Spirit and born of the Virgin Mary and is true God and true man.
4. We believe that man was created in the image of God, that he sinned and thereby incurred not only physical death but also that spiritual death which is separation from God.
5. We believe that the Lord Jesus Christ died for our sins according to the Scriptures as a representative and substitutionary sacrifice; and that all that believe in Him are justified on the ground of His shed blood.
6. We believe in the resurrection of the crucified body of our Lord, in His ascension into heaven, and His present life there for us, as High Priest and Advocate.
7. We believe in "that blessed hope," the personal, pre-millennial and imminent return of our Lord and Saviour Jesus Christ.
8. We believe in the bodily resurrection of the just and the unjust, the everlasting felicity of the saved and the everlasting conscious suffering of the lost.

"For as we have many members in one body, and all members have not the same office. So we, being many, are one body in Christ, and every one members one of another. Having then gifts differing according to the grace that is given to us..." Romans 12:4-6
"Greater love hath no man than this, that a man lay down his life for another." To propagate this love to every creature in God's vast universe is the ultimate goal in our future; and to move the hand of God through the medium of prayer for those on the field is the chief goal in our present.

G. C. M. F. is the structure upon which all else is built; for in it we have realized the great commission given to each Christian: "Now therefore arise, go... unto the land which I do give to them... for the Lord thy God is with thee whithersoever thou goest".

Encompassing the entire student body, GCMF is more than a mere organization; it is an organism striving together to attain a common and united goal - this being world conquest through missions. However, this can never be accomplished unless each of us assumes our own responsibilities as Christians.

Home Missions

Being a missionary is not necessarily tramping through the steaming jungles of Africa or preaching a gospel message via a native translator, but a missionary is one who proclaims the glorious story of redemption anywhere . . . anytime . . . now! Home missions need our prayers.

European

Europe, the neglected continent, affords special attention by everyone. The shadow of the "hammer-and-sickle," and the widespread control of Roman Catholicism is ever present. The people of Europe need the deliverance and peace that only Christ can give. Pray for Europe!

The cry pangs of death amid war torn countries... the ever onward surge of the red banner... and finally the realization of innocent lives caught up in this holocaust... Surely love for these should cause us to at least pray for them.

South American

A field that is "white unto harvest" is South America. Today Roman Catholicism and Communism realizes the importance of capturing the hearts and minds of these people, but do we as Christians realize this?

The words "to the Jew first" should motivate within each Christian a real concern for the "lost sheep of the house of Israel."

Africa

Africa, in a world made small by vast advancements in commerce, travel, and communication, is no longer the "dark continent."

This continent stands as the Gibraltar of religious freedom. Today, as in yesteryears there are challenges to her strength and stability. With this in mind we must endeavor to watch and pray more than ever before.

We are sure each Alumni member would like to be able to personally shake your hand, but the officers will have to voice these sentiments for the entire group.

Our prayer is that God will bless, lead, and use you in His service for His glory.

Trinity Tackles Beacon

Trinity played Beacon in two games this year; one during the day and the other under the lights at night.

Trinity triumphed in both games with victories of 37 to 12 and 35 to 14.
Turkey

Each year at Thanksgiving time the day students and the boarding students challenge each other in the "Turkey Bowl Game." The "Boarding Bums" bombed "Doyle's Ding-a-lings" 25-18 and claimed the trophy for another year.

"And whatsoever you do, in word or deed; do all to the glory of God."

We can thank God that the guys did play for the honor and glory of God. The attitudes were a testimony to all that played and watched. We were very proud of them!
The school spirit of Trinity College has greatly increased this year. This was partly due to the fine work done by the cheerleaders. They worked exceptionally hard to promote good sportsmanship and team support. The entire student body wishes to thank each girl for her part in creating true Trinity spirit and unity.
The Trinity basketball team played Toccoa in their annual game. Trinity was beaten but played very well. The Toccoa coach said, "Trinity played with the best conduct and Christian attitude of any team we have played thus far." Thanks fellas – you did a great job!
“A Christian is not one who withdraws, but one who infiltrates... Athletics is a prime example.” — Bill Glass
Our school, along with Beacon College of St. Petersburg, Clearwater Christian College, and Southeastern Bible College of Lakeland, formed a new league this year. It is our sincere desire that the Southeastern Conference will bring unity and a friendly competitive spirit among the student bodies.
"Your plans and designs are so perfect in truth and beauty, that in touching them the world could only mar. You have the advantage of setting right what is wrong, and restoring what is destroyed. Mrs. Blum we have found that in you, nothing is so strong as gentleness, nothing is so gentle as real strength."
