TRINITY COLLEGE
FOUNDED 1932
TRAINING FOR
CHRISTIAN SERVICE

Let my heart be sound in thy statutes,
that I be not ashamed. Psalm 119:80
To The Trinity Class of 1970-71

Dear Class:

Greetings to the Freshman Class, soon to be advanced to Trinity Sophomores. You have come to us from many different areas of America and some foreign countries. We are thankful to the Lord that He brought you our way.

Through the months you have already spent at Trinity, you have proven to be one of the finest Freshman classes ever to come to this school. As a faculty we are deeply impressed with the spiritual growth and the knowledge of the Word so many of you have reflected. The spirit of your class and your cooperation with the work of the college has given cause for thanksgiving because of the example you have set for other classes.

Never before was the need as great as it is today for well-trained Christian workers. I trust that in the months and years ahead, your knowledge of the Word, spirit of consecration, and your concern for souls will cause you to be a great blessing to others as you complete your training here at Trinity, and when you graduate, I'm sure your life will bring honor to your Blessed Lord and to your Alma Mater. Mrs. Watson and I both join in extending love and best wishes to each of you. May His best ever be yours and your best ever His.
DEDICATION TO FACULTY

The Freshman Class wishes to take this opportunity to express our thanks to the faculty as a whole as well as to each individual faculty member, for their dedication to the Lord and for sharing their knowledge of God's will with us.

We thank each and every instructor for the personal as well as classroom interest you have shown in our progress as we train for the Lord's service.
