The Best Year Yet  
From Your President

My exhortation to the class of '98 and to all who know and love the Lord "... be strong in the grace that is in Christ Jesus. And the things that you have heard from me among many witnesses, commit these to faithful men who shall be able to teach them also." (2 Tim. 2:1-2) Reach your generation but don't forget to do your part in equipping the next generation of leaders. The future of the church, the world, and your own family rests in how much you will contribute to the preparation of tomorrow's leaders. Congratulations, graduates! Go on the strength of God's grace. We shall miss you, but be assured that our prayers are with you.

From Your Vice-President

Trinity College is building men and women of integrity and spiritual vision. That is what sets Trinity apart. I thank God every day for each student whom He has called to be a part of His college. Each day I feel privileged to have a small part in what God is doing here at Trinity as He prepares tremendous men and women to fill vital places of service in the Kingdom.

Professor Rodney Shores came to us very qualified to be our conductor. We have enjoyed learning new techniques that enhance our style & presentation.

Professor Jay Faulkner, an accomplished pianist, has done a great job in assisting Prof. Shores. He tirelessly played the scales again & again until both pros were pleased.
